Freedom Lunch Superheroes

Overdue Food Service accounts are a legitimate concern for Freedom Area School District. As a district, we MUST take action each year to remedy overdue Food Service accounts. If overdue accounts are not remedied, accounts are cleared using the General Fund. Using General Funds to clear Food Service accounts takes money away from education.

At Freedom Area School District, we do not wish to have our students suffer because of the difficulties or neglect of a guardian. We believe all students should eat a full breakfast and lunch each day. We also believe our General Fund Account should not suffer to make this happen.

The benefits of eating breakfast and lunch are undeniably linked with successful learning. Our students should not have to face the stress of worrying about whether or not their Food Service accounts are adequately funded. For the betterment of our community and district, we are asking for donations to the Freedom Area School District Food Service Department. Money donated will be used to fund student accounts who the Food Service Director and School Principal agree would be most beneficial.

Please send donations to:

Freedom Area Educational Foundation
