

PTA Fundraising 2018-19

Dear Freedom Families,

Although it may not be your favorite, fundraising is a necessity of the PTA to provide all of the amazing events the kids look forward to throughout the year. A few of the events that are made possible because of the PTA are the Bulldog Bash, Elementary Olympics, Assemblies, Field Trips, the Science Fair, the Talent Show and so many more! We also help fund teachers with classroom supplies for the children and repay them for all their hard work with lunch on occasion. Below is a list of the upcoming fundraisers planned for this school year, although voluntary, I encourage you to participate and help us to continue to fund these awesome events! The proceeds raised from each fundraiser benefit the PTA directly, which then benefits your child and other children in the school. Any questions or concerns please email faeptafundraising@gmail.com.

Sincerely,

Heather Andrews

Vice President & Fundraising Chair
