Dear Freedom Staff and Community,

It is our pleasure to announce that the Freedom Area School District Board of School Directors has named Dr. David Anney to serve as Interim Superintendent. Dr. Anney previously served as Superintendent of the Riverside (Beaver County) Area School District. He retired from that position in 2019 and has served local school districts in various interim administrative positions since that time.

Dr. Anney began his career in education in 1987 with a student teaching experience at Freedom High School. He then spent his entire professional career in the Riverside Beaver County School District, serving as a high school math teacher, building level administrator, assistant superintendent, and superintendent. Dr. Anney holds degrees from Pennsylvania State University and Youngstown State University.

Dr. Anney will work with the Board and administration to guide the District until a new superintendent has been named.

Please join us in welcoming Dr. Anney to Freedom!

Sincerely,

Sharon Geibel
Board President

Jeffrey A. Fuller
